THE ROAD BEHIND THE WORK

Wesley built the Poetry Clinic from his own experience performing, building a business around art, and finding language for the pressure people carry.

CLEAR SCOPE

The Poetry Clinic is a creative-expression and team-development experience. It is not therapy, clinical treatment, crisis intervention, legal mediation, or an employee-assistance-program replacement.

A LITTLE ABOUT

THE POETRY CLINIC

Wesley brings a prompt. People write, listen, share if they choose, and may shape their lines into one collective poem. Nobody has to perform or call themselves a poet.
